

O.L.I. Junior School Welcome Back!

OUR LADY IMMACULATE JUNIOR SCHOOL Home School Community Liaison Newsletter

Welcome back to school everyone, and a special welcome to our new Junior Infants!

A big thank you to all who have worked so hard to clean and organize our school in preparation for our return. The school and yard have never looked better!

September is a good time to make plans to start new ventures and take on new challenges. We are delighted to be able to offer you a wide range of classes during 2013 at O.L.I. Junior.

We invite you all to become involved in the Parents' Association, any of our courses, in-class activities and other school events. Being involved in your child's education brings great personal satisfaction and benefits the children so much.

September is a good time to begin courses in one of the many local colleges. I have information on day/evening courses in my office..

We will have a range of courses available again this year in our Parents' Room, and invite all parents and grandparents to sign up now.

Please feel free to call to my office anytime for a chat, or I can call to your home.

Keep an eye on the Parents' Noticeboard for any new information for parents.
